Be calm, my children. This battle is over.
And you have lost.
Is that... Maester...?
VRRRRNNNN

Hisako!!!
Hi-chan! Are you okay? You've been zonked out for weeks!!!
I'm good now-- thanks to you, Mei.
I realized I wasn't alone. I have people who need me. Who guide me.
So I found my way back.

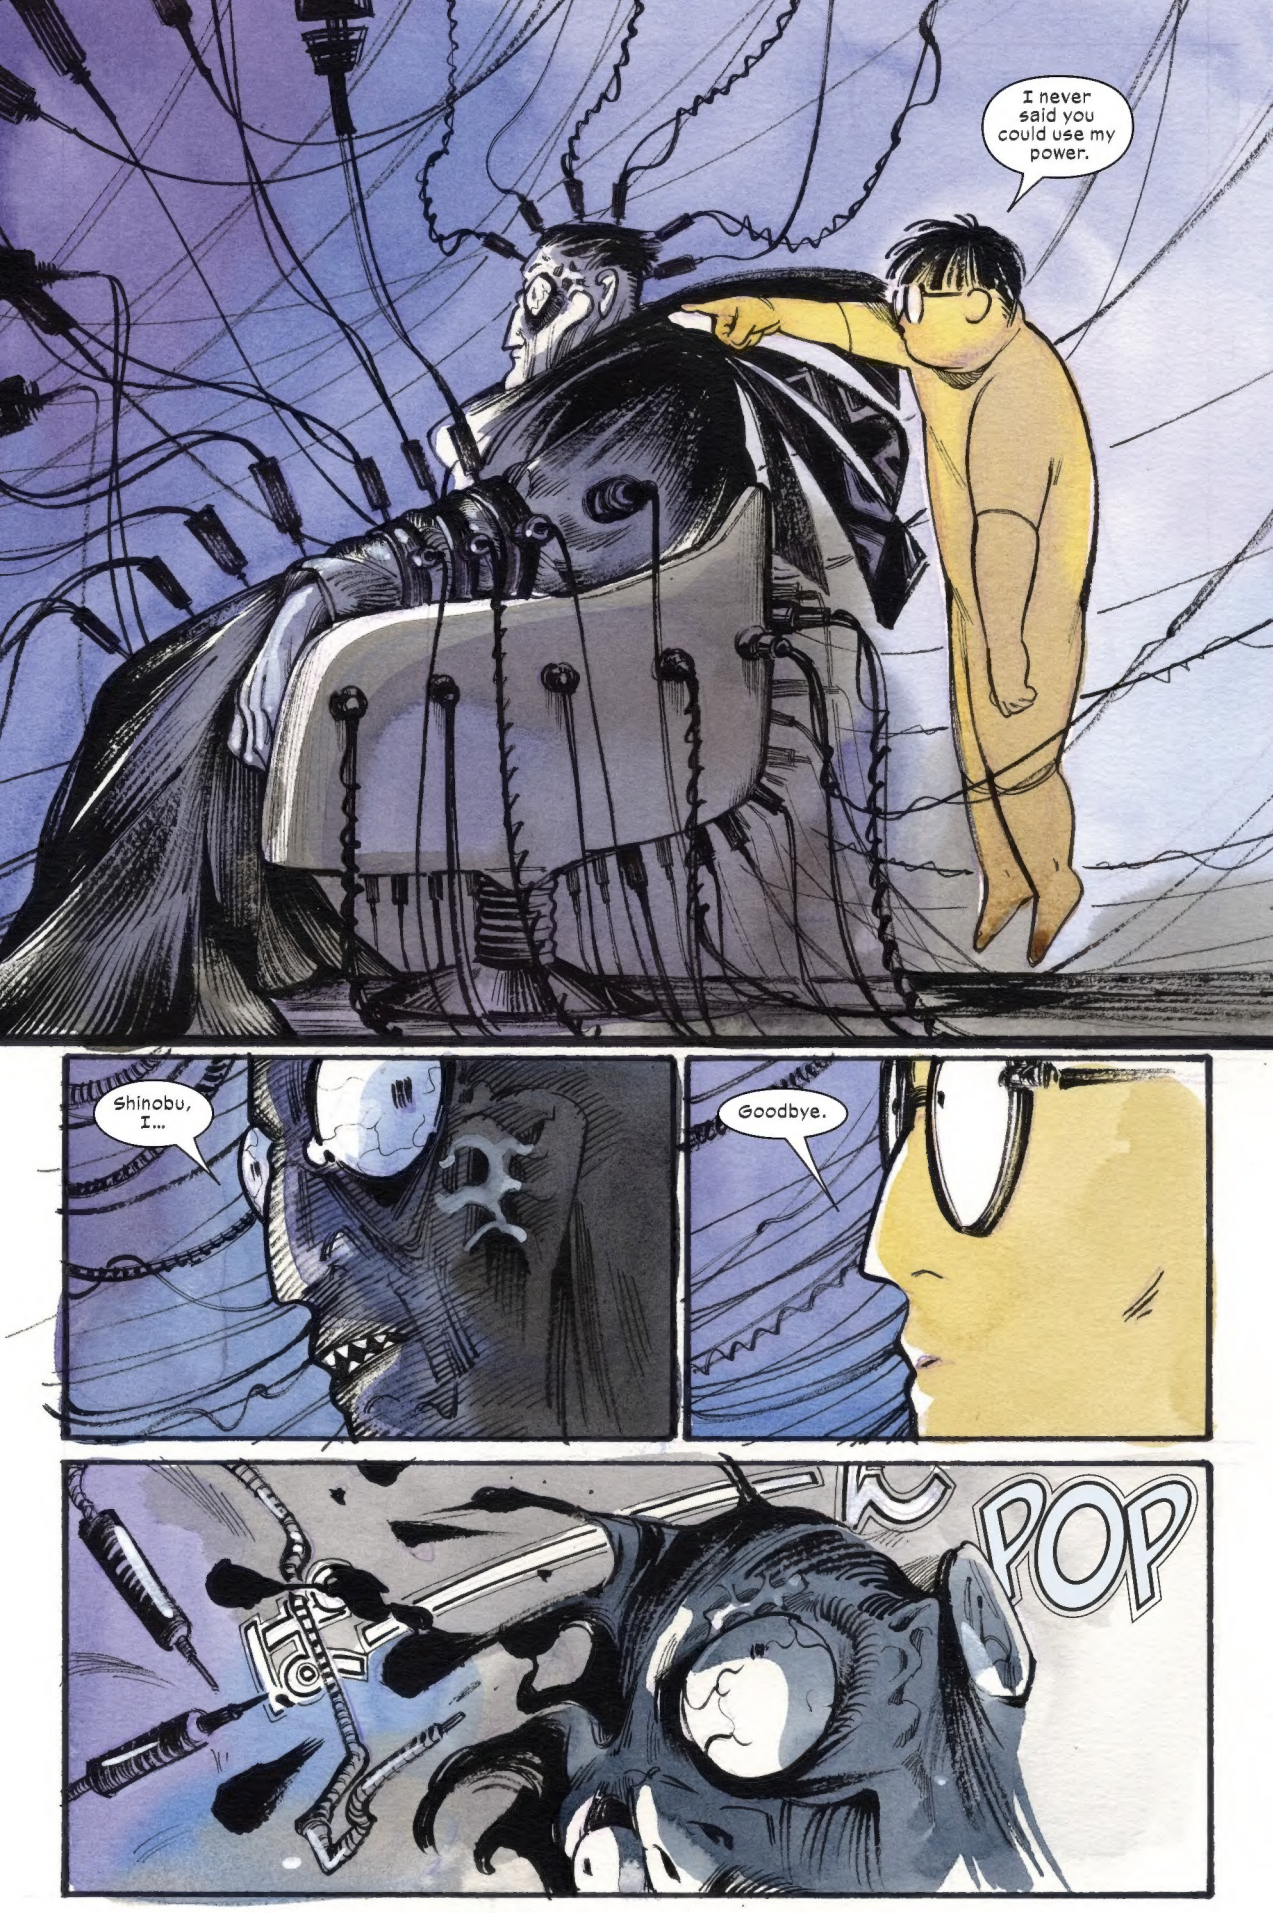
Damn you, Hisako!!!
Out of my way, you worthless *Homo inferior!*
Even with the MY-X boost I gave you, Noriko...
...you still disappoint me.
I'll kill them myself.

Armor!!!
Protect us!!!

No one came to look for me. No one cared.
They didn't even notice I was gone.
A shadow...
I had to find my own way out.
A mutant gang fight is tearing apart the city. It's a war zone!!!
What can we do? Is anywhere safe?

Everyone I know is in some place I don't know, using my power to kill each other...
What is happening?!
This is unacceptable.

What happened? Where'd Maester go? It's... quiet.
I dunno, Kanon...everyone okay?



I never said you could use my power.
Shinobu, I...
Goodbye.
POP

Hey, you okay?
Are you hurt?
Hey, Mori! Give us a hand!!!
Stay still.

Was that...?
Yeah, I think so...
"Kageyama."

TEACHER: Mrs. Kageyama!!

SHINOBU'S MOM: I'm so sorry for what my son has done!

PRINCIPAL: Now, now... Mrs. Kageyama, please...

SHINOBU: It's Matsuda's own fault. He's just a vegetable. A potato.

PRINCIPAL: What?

SHINOBU: Mom, you told me that when I'm nervous, I should picture everyone as a potato...

KAGEYAMA'S MOM: ...Shinobu...
